

Choose from our convenient range of blank thermal transfer labels & fabrics...

Labeltec provide a range of self adhesive labels available for both direct thermal and thermal transfer printers.

Our ex-stock service is designed to make your business run smoothly, and your life easier. Save money and reduce inventory by letting us provide you with a labeling solution.

We can even pre-print your brand or logo using your corporate colours so that changeable information such as a batch number, date, bar code or product name can then be added in-house, as required.

As agents for the Argox, TEC & Paxar range of tough, reliable, easy to use thermal printers, Labeltec can provide you with a complete in-house labeling system to print onto self adhesive or fabric labels. With over thirty years of experience Labeltec are experts at providing labeling solutions to New Zealand industry.

- ***Direct thermal stock labels are sold in 102mm or 204mm diameter rolls. Please check which size your printer will accept.***
- ***The internal core measurement is 38mm on label rolls***
- ***Please ask us about custom sizes if we don't have a standard size that exactly fits your needs.***
- ***All ribbon is on an internal core size of 25mm. Paxar ribbons are on special notched plastic cores.***
- ***A minimum order of \$30 applies***
- ***Prices given are per 1000 labels and are exclusive of delivery and GST***

Remember Labeltec can advise and offer a prompt price on all your labeling requirements. Call us now for a quote and delivery time.

Note:

Prices as at August 2012

Due to possible movements in the exchange rate, these prices may only be firm on the date of publication.

GST and freight are not included.

Delivery is generally ex stock.
